### **200 Cats For Adoption At Pet Supplies Plus Cat Days of Summer July 9-11**

For Pet Supplies Plus stores in Bloomfield Hills and White Lake, Michigan, the hot steamy days of July have been renamed the Cat Days of Summer – for 200 meowing reasons.

## **PET SUPPLIES "PLUS"**

The stores are ushering in 200 cats that will be available for adoption as part of the Pet Supplies Plus Cat Days of Summer event July 9 - 11. The cats and kittens are being transported from Oakland Pet Adoption Center in Auburn Hills and Elizabeth Lake Animal Rescue in Waterford. They have all been health checked, vaccinated and spayed/neutered and are just looking for good homes. Event hopes to ease overcrowding of homeless pets in Oakland County, Michigan.

Customers will be treated to free hotdogs, sales on all pet supplies along with no sales tax, drawings for door prizes including gifts baskets from The Gifted Pet <http://www.thegiftedpet.com/> plus all the fun of a summer festival. Those adopting a cat or kitten can have a free photo taken of their newly-adopted pet and also get a free goody bag with items from Pet Supplies Plus and Nooters Club® which promotes pet spay and neuter and responsible pet guardianship.

“If you are looking for a new feline companion, this is the place to be,” said Addy Shattuck, owner of Pet Supplies Plus stores in Bloomfield Hills and White Lake. “We will have all different breeds, colors and sizes of cats and kittens. We are hoping that we can find homes for more pets in Oakland County. ”

Shattuck will also be reminding pet owners to keep their pets safe this summer with these safety tips:

Avoid keeping pets in parked vehicles for even a few minutes. Lack of air and rising temperatures can quickly be fatal even on “cool” days!

Keep pets inside to avoid heat stroke. If they must stay outside, provide shade and plenty of water.

If you travel with your pet, check out area emergency veterinary hospitals before you need them.

Watch for antifreeze that can leak from your vehicle if your engine overheats. Antifreeze tastes sweet, is inviting to pets and children and can be fatal even in small amounts.

Cat Days of Summer will take place at Pet Supplies Plus stores in Bloomfield Hills at 2057 Telegraph Rd. (North of Square Lake) and in White Lake at 6845 Highland Rd. (M-59) and 8020 Cooley Lake Rd. on Friday, July 9, 4 p.m. - to 9 p.m.; Saturday, July 10, 9 a.m. - 9 p.m.; and on Sunday, July 11, 10 a.m. - 4 p.m. Cat adoptions Sunday only at the Cooley Lake Rd. store.
